Commercial Aviation Coordinating Commission

RE: June 23 CACC Meeting and COVID Precautions

Dear Commercial Aviation Coordinating Commission Members,

Given a recent return to higher seven-day rates in new COVID-19 cases across a majority of counties in the state, and a high rate within Thurston County, I find that an in-person meeting with members of the public present cannot be held with reasonable safety for the 23 June CACC meeting. Thus, public participation will be limited to virtual attendance.

Commission members wishing to attend in person will need to provide proof of vaccination ahead of time to Terri Palumbo over email to <mailto:terri.palumbo@wsdot.wa.gov>. As with past meetings, a virtual option is available through Microsoft Teams for both Commission members and members of the public.

Sincerely,

*David Fleckenstein*

David Fleckenstein  
Chair, Commercial Aviation Coordinating Commission
