The Washington State Department of Transportation (WSDOT) Ferries Division (WSF) was directed in the 2023 Transportation Budget (ESHB 1125, Section 308 (8)) to apply to the Department of Ecology for additional competitive grant funds available from Volkswagen settlement funds and report on the status of the grant application by December 1, 2023.

WSDOT's Ferries Division has worked with the Department of Ecology and determined that there is no additional Volkswagen funding available. Therefore, no grant has been submitted by WSDOT Ferries Division for such funding.
