Northwest Olympic Southwest North Central South Central Eastern

Part 2: Project Information

Notes:

1. Include a vicinity map(s) showing the location of all improvements/countermeasures.
2. Include a detailed cost estimate for each phase (preliminary engineering, right of way, and construction).

Project Title:

Districts the project falls within: See <http://app.leg.wa.gov/districtfinder/> for more information on the following.

- State legislative district #(s):
- Congressional district #(s):

Description of Work:

Project Schedule (estimated milestones):

Project added to the Statewide Transportation Improvement Program (STIP)	Mo./Yr.
Project agreement signed with WSDOT Local Programs	Mo./Yr.
Begin PE (PE phase authorized by WSDOT Local Programs)	Mo./Yr.
Community/stakeholder engagement complete	Mo./Yr.
Environmental documents approved by WSDOT Local Programs	Mo./Yr.
Begin right-of-way (RW phase authorized by WSDOT Local Programs)	Mo./Yr.
Right-of-way completed (certification through WSDOT Local Programs)	Mo./Yr.
Contract advertised	Mo./Yr.
Contract awarded	Mo./Yr.
Construction/project complete	Mo./Yr.

Project Cost, Match Amount, and Requested Funding:

Phase	Cost of entire phase	Match amount	Amount requested from this program
Preliminary Engineering (PE)	\$	\$	\$
Right-of-Way (RW)	\$	\$	\$
Construction (includes construction administration) (CN)	\$	\$	\$
Total	\$	\$	\$

Round all numbers to the nearest \$1,000.

Provide all the following information:

- Limits of work:** Beginning: _____ Ending: _____
- Project in adopted plan?:** If this project is in an adopted plan (transportation plan, ADA transition plan, local road safety plan, etc.), list the plan name and date adopted:
- Has this project had community/stakeholder engagement?** Yes No
- Are these funds going to be incorporated into a larger project within your agency?** Yes No
- Coordination with other jurisdictions:** If any roadways in this application are owned or managed by another jurisdiction, such as a city/town, Indian tribe, federal agency, or WSDOT, list the roadways here:

Include a letter or email from each of the other jurisdictions that indicates concurrence with this application. Projects on state routes shall be coordinated through the appropriate WSDOT regional office identified above. Contact the Region Local Programs Engineer at <https://wsdot.wa.gov/business-wsdot/support-local-programs/contact-support-local-programs> to start this process.

- Current Project Information:** Is this a current project? No. Yes. If yes, answer the following questions.
 - Existing Project Number (if assigned – otherwise state “Not yet assigned”):**
 - Explain the project status and why your jurisdiction is applying for additional funds:**
 - Explain if the project description, schedule, or budget has changed and if so, how and why:**
 - Does the project have current federal funding?** No. Yes. Identify the funding program (Highway Safety Improvement Program, Surface Transportation Block Grant Program, etc.).

Submit completed application and required documents to HLPGrants@wsdot.wa.gov.
