

**Interim GSPs**  
**Changes published after the September 3, 2024 GSP Official Update Package**

The following is a list of GSPs that were modified after the September 3, 2024 update package that was published with the 2025 Standard Specifications.

Only changes resulting in a new GSP date are included in this list. Any minor changes to fix formatting or spelling errors that did not result in a date change are not included.
