

Washington State Ferries Transport Form for Damaged Hybrid, Electric, and Alternative Energy Vehicles (EV).

Damaged alternative-energy vehicles, whether driven or towed, may not board without the following form. The completed form must be submitted to Washington State Ferries staff upon arrival to the terminal. Vehicles attempting to transit without the form will be denied passage.

Company Name/Service Center Name: _____

EV Make/Model/VIN: _____

Reason for Tow: _____

I confirm the below requirements have been met:

- ☐ The high-voltage system has been inspected and is in a stable, de-energized state.
- ☐ The vehicle displays no active warning indicators related to its high-voltage battery.
- ☐ The vehicle has no visible damage to its battery, charging connections, or thermal management system.
- ☐ The vehicle is free of fluid leaks, including battery coolant.

Additional Notes/Observations:

Ex: This vehicle is being transported for a non-electrical/non-battery issue, such as a flat tire.

This vehicle meets the above industry standards for transport of damaged electric, hybrid, or alternative energy vehicles.

Technician Name (printed): _____

Signature: _____

Date: _____

Contact Number: _____

Title VI Notice to Public

It is the Washington State Department of Transportation's (WSDOT) policy to assure that no person shall, on the grounds of race, color, national origin, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with WSDOT's Office of Equity and Civil Rights (OECR). For additional information regarding Title VI complaint procedures and/or information regarding our non-discrimination obligations, please contact OECR's Title VI Coordinator at (360) 705-7090.
